3 EYOF Győr 2017

Between 23 and 29 July 2017, the European Youth Olympic Festival Flame will be ablaze in the heart of the city of Győr, since it will host the European Youth Olympic Festival.

In recognition of the city's vigorous and successful sporting scene and comprehensive sports policies and achievements, Zsolt Borkai – Olympic champion in artistic gymnastics; President of the Hungarian Olympic Committee; and mayor of the municipality of the city of Győr – accepted the "Sportiest City of Hungary" prize on behalf of the city. This distinction reflected the excellence of sports clubs and athletes in Győr and acknowledged the city's exemplary decision to provide outstanding support for sports. In 2012, Győr won the right to host the summer EYOF 2017.

This EYOF event will see the addition of canoeing to the programme – a discipline that Hungary has long excelled in.

3.1 Introducing Hungary

Hungary considers it very important to be able to host major international sports events, and Győr is an excellent venue to implement them. The public of Hungary is enthusiastically looking forward to the first ever occasion for the Olympic anthem to resound in the country, as the Olympic Flame will arrive in Hungary. Though hosted by Győr, the event unites the entire nation, enjoying the people's unanimous support.

Hungary is a country situated in the Carpathian Basin in Eastern Central Europe. Its capital is Budapest. Hungary is a member of the European Union, the Schengen Area and the NATO. Hungary has an area of 93,093 square kilometres, with an estimated population of 9,879,000.

Hungary has always been a very "sporty" nation. The Hungarian National Olympic Committee was one of the six members establishing the IOC on 19 December 1895. The Hungarian National Team always been attend on the Olympic Games when politics allowed to, and every time Hungarian participants have been there, Summer Olympic Games heard the Hungarian National Anthem. This is a fantastic legacy that

made by our champions, our athletes. There is no shortage of heroes and heroines, Hungarian athletes deserved 176 gold, 151 silver and 174 bronze, all in all 501 Olympic Medals. Hungary maybe a small country, but Hungary is on the 8th place on the Olympic eternal list, and that makes the Hungarians so proud all over the World. Hungary's dream for such a long time to host Olympic events, Summer Olympic Games in Hungary. EYOF could be the first step on this fantastic road.

3.2 Sport in Győr

Hungary and the city of Győr are well known for their sport traditions and international results including Olympic medals and club events. Since 2007, the Municipality of the city is expending at least 1% of its budget to develop sport in Győr. As a result, numerous infrastructural expansions happened in the past 10 years, and the city became a worthy, modern home of professional and recreation sport. The „Sportiest city in Hungary" award serves as a recognition of its work and success in sport policy.

The city boasts first division teams in football, handball, basketball and futsal, which are all potentials for the podium every season in the national championships. The signature handball team of Győr, ETO KC is a true contender for winning the third EHF Women's Champions League title in five years. True to its name 'City of Rivers' the kayak-canoe department is among the most successful at training Olympic athletes, and has produced athletes like the three-time Olympic champion kayaker Zoltán Kammerer and the two-time Olympic champion kayaker Krisztina Fazekas-Zur.

In the past few years – cooperating with the respective national and international federations – Győr organised among others Handball Women European Championship, Basketball Women European Championship, Shooting European Championship and Kayak Marathon World Championship, proving that the city is a great host of high level international events and of the EYOF Győr 2017!

All collected urine and blood samples will be analysed by the laboratory accredited by WADA in Seibersdorf, Austria.

9 Security

9.1 General Security Planning for the duration of EYOF Győr 2017

Győr, the city hosting EYOF Győr 2017, is a safe, liveable European town where a general sense of public order is widely perceived. The members of the Organising Committee have great experience in managing large-scale national and international sports events, where special attention is invariably paid to the necessary security measures without impinging on the smooth flow of the events.

Within the Organising Committee, the Security Group will take care for the management of safety challenges emerging during the event.

Security tasks will be carried out by the Police, a civil security company, as well as the volunteers supporting their work.

The objective is to minimise the security deficit and guarantee the safety and well-being of participants and visitors alike.

During the event, a Security Centre will operate 24 hours a day, where the Organising Committee, the civil security service, the criminal and public-order decision-makers of the Police, as well as the commanders of special units will collaborate.

The competition and training venues of the EYOF Győr 2017, the support facilities, and the Athletes' Villages are areas separated through closed building segments and permanent or temporary fences, subject to security surveillance 24 hours a day.

The city is prepared to tackle the projected touristic pressure and the hazards this entails

9.2 Security Zones

From the perspective of security, three zones have been specified:

ZONE 1

Public spaces, traffic routes, and cultural events during the event in the city are accessible to participants and visitors without control. The participants of the EYOF Győr 2017, the citizens of Győr, visiting guests, and tourists may enter these areas without any entrance or control protocol; they can meet, move, and engage in entertainment without limitation.

As a matter of course, enhanced security measures will be implemented in all areas, with special regard to the handling of extraordinary events. In the more popular areas of Győr and the routes and event venues connected to these, police surveillance (CCTV) cameras will operate, with the civil security services also present in certain places.

The traffic of the vehicles used exclusively by the participants will be guaranteed to lead through preferred routes.

This zone includes the Accreditation Centre, whose entrance and internal order protocols belong to the special mission of the security service.

ZONE 2 Training, competition, and event venues, as well as other support facilities (Catering Tents, Fun Zone, Media Centre, NOC Services, MOC) accessible only after an entry protocol supervised by the security service and exclusively for people with an accreditation or a valid ticket.

At these venues, the participants, the Organising Committee, spectators, VIPs, and media guests enter through separate gates or via targeted entry protocols and are authorised to move in the various segments of the facilities according to their accreditation entitlements.

For visitors arriving as spectators, the circle and type of items and consumer's goods to be admitted are limited, which is enforced by the security service at the time of ticket inspection and entry.

ZONE 3

Premises only accessible after entrance control by the Police and the security service are as follows:

- Aqua Sports Centre;
- AVL I, II

These are high-level security areas, where entry is subject to scrupulous entry authorisation protocols, personal identification, baggage inspection, and, if applicable, explosives control, as justified by the nature of the buildings, the number of people inside, and the special treatment of the individual facilities by the authorities.

For those wishing to enter, the circle and type of items and consumer's goods to be admitted are limited.

In Zones 2 and 3, the security service and the Police may request that visitors suffer the inspection of their clothing and baggage, pass through a gate with detectors, or place their baggage into an X-ray device. Due to the nature of the event and the circle of participants, no alcoholic beverage may be taken into the facilities belonging to these two zones.

The storage of prohibited items and consumer's goods entails no assumption of responsibility; in the case of retrieving illegal items or objects, the authorities shall take the required official measures.

10 Victory Ceremonies

The Victory Ceremonies will follow the protocol prescribed by the EOC, according to the same scenario at all venues. The medals will be presented immediately after the relevant events at the venue of the given event.

The design for the medals to be presented has been approved by the EOC; one side will carry the EOC logo, the other the logo of EYOF Győr 2017.

During the Victory Ceremony, the athletes must wear their official NOC uniforms without any commercial content whatsoever.

In the closed-off area of the VIC, only the medal-winning athletes and no other athletes may be present.

During the ceremony, the medal-winning athletes receive their medals, along with a paper flower and a gift related to EYOF Győr 2017. Immediately after the ceremony, they may pick up their medal boxes. Each medal winner will also receive a Victory Diploma, which can be picked up by the Chefs de Mission/Deputy CdM/Proxy card holder at the NOC Services Centre the day subsequent to the medal presentation. The Victory Diplomas of the medal winners competing on the last day of the EYOF Győr 2017 (29 July 2017) may also be picked up from the NOC Services Centre prior to their departure.

11 Fun Zone

The Fun Zone will provide active and passive recreational opportunities for the athletes and the volunteers during the event. It is located in the close vicinity of AVL I an approximately 5,000 sq.m. confined area of Aranypart (Golden Strand) II. Access will only be granted based on accreditation card only.

Within the confined area of the Fun Zone, a 1,000 sq.m. tent will ensure that leisure activities be possible even in the case of unfavourable weather conditions.

The Fun Zone will be open to those seeking relaxation or amusement opportunities Monday to Friday, 2 p.m. through 10.30 p.m. More than 20 games, animators, arts and crafts specialists, playful contests, face and body painters will be available to those interested; hammocks, bean-bags, and recycled furniture will serve those seeking to relax or rest. There will be a two-hour disco each night.

The Fun Zone will also be the venue for the Closing Ceremony to take place the last day of the EYOF Győr 2017.

- Each NOC that participates with boys' and/or girls' team must bring a FIBA or FIBA candidate referee (FIBA Europe must approve this). If a NOC has two qualified teams, they must bring two referees one for the boys' and one for the girls' competition. This makes $8 + 8 = 16$ referees.
- The name(s) of the referees must be submitted to the OC by 31 May 2017.
- When the FIBA Europe has received the names of the proposed referees, the FIBA Europe Referee Commission will check them and approve if these candidates have the required international level. The FIBA Europe informs the OC, EOC, NOCs and National Federations concerned about the definite nominations.
- Each NOC must contact their 'own' National Federation to make the arrangements for their referees.
- The NF of the host country appoints another 10 referees. The level of these referees must be 'highest national level'. This makes $16 + 10 = 26$ referees.
- 3 Person officiating will be used in each game.
- The NOCs are fully financially responsible for the travel and stay of their referees (including the participation fee per person per day) as well as for their registration in RAS. No fees/per diem are paid to the referees.
